Dear New Patient,

We would like to welcome you to our dental practice and explain a little about our office policies and goals. We believe in the theories of Modern dental care which do not support the old premise of "When it hurts – fix it." Through proper preventive care and regular checkups, we believe that it is highly likely that most of our patients can expect to keep all of their teeth for all of their lives.

Our Patient can expect from us:

1. A high degree of professional skill and ability.
2. A dedication to your oral health cares.
3. A minimization of costly reconstructive work through proper preventive care.
4. The highest effort to make your visits as comfortable as possible.
5. The right treatment at the right time.
6. Fees that are fair and just for the services provided.

In return, we expect from our patients:

1. Cooperation in making and keeping appointments.
2. **We must have a 24 hour notice when changing or canceling appointments out of respect for our other patients who have scheduled appointments.**
3. Recall visits to maintain optimum oral health.
4. All fees, copays & deductibles are due at time of service, unless payment arrangements have been made prior to scheduled appointment.

By signing you agree to the expectations listed above. We reserve the right to refuse further treatment if you do not follow these expectations. We thank you in advance for your cooperation.
